THURSDAY, SEPT. IL, 1873.

Butler's show for the governorship of which you are sure of while here? of Massachusetts is growing beautifully less, and unless he makes use of strategy to capture the convention, he stands no chance. The latest count on delegates was as follows: Washburn 567, Butler 392, doubtful 57, with about 100 to be heard from-

The Maine election shows better than was expected. The aggregate vote will not be far from 80,000, and the republican majority about 10,000. Last year the entire vote was 127,269, and the republican majority was 16. any of these years, except 1872.

WHAT ABOUT NEW DEPOTS !

## CORRESPONDENCE.

of the N. Y., B. & M. R. R.

Perensucan Junction, 1 September 8, 1873. "Restatic chirp of winged thing, Or bubbling of the water spring, Are sounds that more than ellence bring, Buelf and its delighteomeness
